

Hythe Aqua Water Polo – Excellent News

Lucy-Mai Helliwell a Hythe Water Polo Member has been chosen to be Captain of the GB U/17 team to play in the European Championships in Croatia from the 21-29 August with the team travelling to Croatia on 18 August for a brief pre-competition training camp.

The team has been drawn in Group A meaning they will compete against Spain, Serbia, Israel and the Czech Republic. Spain was the winner of the 2019 edition of the event after they won 12-11 against Russia in the gold medal match.

To make the team itself is excellent but to be selected as Captain is fantastic and well deserved for Lucy-Mai.

Our other Hythe Aqua GB player Harris Lindsay has also been re-selected to keep his place in the U/16 squad as one of the 2 goalies kept out of the 4 in the previous squad. This bodes well for Harris making the U/17 squad for the European Champs next year.

Hythe Aqua is a large diverse Club that supports several swimming disciplines including water polo and a number of water polo players have made GB junior teams over the years and have also represented England and Scotland, along with Kent and SE Region teams and as a Club we are proud of their achievements.
