

Hythe Aqua Artistic Swimming - Fantastic Kent Results

Congratulations to all the swimmers for an incredible competition and results - We are so proud of each of you and what you have achieved. For some of you, this was your first competition - and to achieve top 12 results is fantastic in such large entries. For others - your results were absolutely fantastic, and I know the coaching team are all very impressed with your results.

The routines were performed with big smiles - and you all achieved fantastic routine scores. You should all be very proud - and hopefully looking forward to Combo Cup in Sheffield in two weeks time. What a brilliant way to warm up for the National event!

A massive thank you to all of you that gave up your time before and during the event to help me organise things. From the swimmers, parents and relatives that pitched in with sewing sequins, to the team of volunteers stringing ribbons and wielding glue guns for medals before the event, The judges, scorers, clerks, videoers and runners that supported poolside, to our lovely team managers who supported the swimmers throughout the day - without you all, these competitions and events would not be able to take place.

A special mention to our Team Manager Kim - thank you for spending your birthday surrounded by gelatine, sequins and swimmers asking you countless numbers of questions!

The Top Performing Club trophy was awarded to Hythe Aqua for the 7th consecutive year - we have won this trophy from 2010 - 2014, and again from 2016 until 2023 - a fantastic achievement.
