

Donation to Hythe Aqua SC

Some great news for Hythe Aqua SC. John Wilson who was a long-term member of Hythe Aqua with his family for many years completed an epic row of the Atlantic with his friend Ricky Reina. Known as the Atlantic Avengers, the duo finished the gruelling voyage Columbus originally made in 1493 in 89 days, a feat never achieved by two men.

The two rowers formed a Trust to raise money for local community projects and Hythe Aqua has received a donation of £500 from the Atlantic Avenger Trust. The money will be used to update training kit for the Hythe Aqua Swimschool and other club disciplines.

Further details/links about the Atlantic Avengers and a Kentonline press report regarding the epic voyage is below:
