

Volunteering Success at Hythe Aqua SC

For many years at Hythe Aqua SC, Tim the Swimming Coach has encouraged older squad swimmers to work on poolside with lane coaches, to encourage younger swimmers during training. Many have benefited from doing this volunteering work as part of their Duke of Edinburgh Award and some have gone onto achieve Swim England Qualifications. The last person to achieve a formal Swim England Qualification is Violet Hopkinson a senior squad swimmer who has helped with teaching and coaching at Hythe for many months. Violet has recently passed her Swim England Level 1 Teaching Qualification after attending a course at the Stour Centre recently. Well Done Violet.
