

MINI WATER POLO TOURNAMENT

2004 AND UNDER – March 2017

What an amazing tournament held at Sevenoaks on Sunday. Hythe Aqua managed to field a team of six players consisting of Harris, Matthew, Rico, Will, Emma and Lucy-Mai. We got off to a great start winning our first match against Faversham 2-0 with goals from Rico and Lucy-Mai. We then went straight onto play Monsoon, this game was a little more challenging as they managed to pass the ball quickly and get away from our defenders, but thanks to Harris in goal he didn't give them many opportunities to score, this game finished 2-1 to Hythe. Our last game was against Sevenoaks which we knew was likely to be hard, Lucy-Mai went in goal to give Harris the opportunity to play out field and we agreed to keep Will back to help defend. Everyone in the team pulled together and played extremely well, we won this match 7-3 with goals from Rico, Matthew, Harris and Will. Well done to you all.
